## **Halloween Horror Delta – We're back**

We have returned for the 2019 Halloween season

On October 31<sup>st</sup> only, Halloween Horror Delta will be returning, run by local Mistress of Darkness Robyn Hasbach. This display will be open for visitors between 6PM and 9PM and we will be giving out treats to all Trick-Or-Treaters in a costume.

Please visit our newly re-launched website at <<http://www.horrordelta.com>>. Our website contains directions, photos, and videos from previous years. Also available are downloadable copies of previous years' background. Our mp3's have been custom designed for our display and are available for free download. Our live webcast will now be hosted via youtube live. The broadcast will contain the display's setup, and continuing throughout the night it will be available from 9AM to 9PM. We will again be partnering with Delta Fire Fighters Charitable Society to collect donations. Robyn welcomes questions and interviews. Please call her at **604 318 2912** or via email **me@writerobyn.com** to arrange an interview.

This year's display features:

- Animated Grave Stone Projection
- A Dungeon
- Background lighting using energy efficient CFL's and fog machines.
- Two graveyards containing various custom-made gravestones created by our scene shop.
- Various static and animated creatures/bodies including new rotting corpses.
- A pneumatic well and other pneumatic props.
- Two Mausoleums. One with a projected ghost and a second with a Black Light setup
- ...and much, much more!
